The Premises:

Her new place in a quiet, residential area of Blackburn was easy enough to find with the aid of a satnav ? without one I?m not sure how I would have fared. It's a small new apartment block in an older area just across from a pub. Buzzer entry.

The Lady:

I know I am not the first to say this, but Amber in the flesh is even lovelier than her pictures (on the unnameable site) suggest. She is a slim, tanned redhead in her early twenties and must turn heads wherever she goes.

The Story:

In corresponding with Amber about the meeting, I had asked if we could carry out the schoolgirl/teacher role play she refers to on her profile page. She duly obliged and did not disappoint in any way. I, on the other hand, became tongue-tied and found it difficult to maintain the pretence. Nevertheless, I enjoyed every moment of my encounter with Amber. Not only is she gorgeous, naughty and very skilled in the erotic arts but also intelligent and very easy to chat with. We covered the full gamut of all my favourite activities ? OWO, RO, FS(cowgirl) and CIM to finish.

If I didn?t live so far away, I would soon be approaching Amber for a repeat booking. Hopefully, that will be possible before too long.
