### The Premises:

Hayleys has also been decorated now. So very comfortable indeed

### The Lady:

It was a choice between one of my all time faves Danni and Abby. God how hard to say no to Danni but I kept resolute and went for the petite slim busty Abby.

### The Story:

Abby is a really cheeky little minx who introduced me to spanking - a lot of it. I am probably still not really into it but the feeling of her burning bum cheeks on my groin in doggy was amazing - so may try again!!

v v nice!
