The Premises:

Nice flat , a friends I believe , after a problem with usual place.
Buzzer entry , very safe , shower available.

The Lady:

30 something strawberry blond. Average height & build , lovely breasts bum & legs , chatty & friendly. Not often in Glasgow but well worth looking out for & trying to catch when she is.

The Story:

Very attractive lady. Nice massage to start , then some kissing (always a nice touch) , then on to v. good oral. Returned the favour , then protected sex in a couple of positions. Very enjoyable punt with an extremely attractive & capable lady. Only tiny "minus point" - alarm to signal end of booking , but I suppose the facts are an agreed time for an agreed price , so no big complaint.

Get the impression you could really benefit if a "regular".
Only prob is geri being in Glasgow often enough ?

Also , short notice booking not a problem. 9/10 !!
