Nice discreet modern apartment 3-4 mins walk from Chancery Lane tube station

Very petite girl - who looked very much Indian and not Pakistani

Pleasant lady. Got down to business with uninspired oral for a few brief minutes. Followed by sex in a few positions. Nothing super exciting but was interesting to be with a Pakistani lady for the first time.

Service Provider's Rebuttal

The establishment writes:

We would just like to say Samia is a genuine British born Pakistani lady. Having known lots of Indian and Pakistani ladies, Indian Palace can definitely say that Samia looks 100 per cent Pakistani! She speaks fluent Punjabi and Urdu and even dyes her hair blonde like a lot of Pakistani ladies do!

Samia was quite miffed by the comments saying she did not look Pakistani as she is quite proud of the fact that she is Pakistani.

We did ask her why anyone would write a report saying her oral was 'uninspired', to which she replied 'If a guy is too big, I can't fit it all in my mouth and it does not go all the way down my throat'. So we can only assume that the author of this report was well endowed and Samia's 'uninspired' oral problems would stem from that.

She does have lots of regulars that do come and see her, so we did find the report quite strange. To the author of this mail: if you have time, we would really appreciate it if you can email us if what we mentioned above was not the problem.
