### The Story:

My second visit, I thought I'd enjoy again whilst she's still fresh and eager to please. Why am I writing this report? because I think my previous one is a little unfair on her looks - as I attempted to fuck the living daylights out of her, legs wide apart, pussy as pink and swollen as you can imagine, her clearly enjoying herself as much as I was, I thought she must be worth an 8 for her looks. But don't go to look at her, go to fuck her brains out. Enjoy.
