The Premises:

Already well reviewed location. On a side street near a florist. It is opposite some other retail business so not as discreet as one would wish but as you can enter without waiting to be let in, you should be ok. Plenty of free parking nearby.

Warm welcome from receptionist, offered me a drink and introduced me to the other ladies who were available. I had come specifically to see Sarah but was tempted when I saw Sunita. They need new photos of her on the website, she looks much better in real life.

The Lady:

Pictures are accurate. Sarah is tall, blonde and gorgeous!! She won't disappoint.

The Story:

Sarah doesn't do anything uncovered, so enjoyed a nice massage (she soon to be a qualified sports therapist!!), FK and CBJ. Door fee was ?10, sex ?40, FK ?10, so I paid ?60 in total. RO would have been a further ?10 and anal ?80.

As others have said, the single beds don't help at all and even if it's a squash, they should put double beds in. Almost puts you off coming again.... I said almost - I will be returning again.
