The Lady:

The website has photos of Rebecca but they cannot replicate her cheeky cheerful nature! She is better in the flesh (obviously) and stunning in all respects.

The Story:

Just a short visit to see Rebecca who recently joined IM, and not disappointed at all! Think I was a bit early but she was ready and had a fun and enjoyable short session with plenty of conversation and fun at the right time.

I think that Rebecca would be suited to a longer, slower paced appointment so maybe book an hour if you're going to see her for the first time, I will book for much longer if I go back to see her again as I think that she will just be more and more fun and rewarding to be with.

All in all, a great, very very attractive girl who is confident and has a cheeky sense of humour. knows what she is doing and very accomplished whilst presenting a fresh and energetic approach. I can happily recommend Rebecca as I will be going back to see her myself which is a very rare thing indeed!!!
