The Premises:

Nice street, slightly shabby building, the flat was small, nice & cosy. Big bed. Mmm. It felt safe to me.

The Lady:

I didn't think she looked that much like her photos, but by God she was hot. Voluptuous would have to be the word. Phwoarr.

The Story:

I arrived, had a shower, no small talk (which I think was a bonus) and enjoyed much sensual kissing. OWO followed, and then we moved to the bed. She seemed quite happy to fulfil my personal requests (her grinding away on top of me, and some prostate massage during more OWO) and she was even kind enough to compliment me on my reverse O. We finished off with her on top (if you like being ridden in an assertive manner, you need to get some of Melany?s time!) prior to some missionary position. Overall, she was warm, fun & friendly. Even got my full hour, which is unusual in my experience. Top punt, I'd definitely recommend her.
