The Premises:

Place was easy to find with large public parking nearby, quite quite and discreet.

The Lady:

Pictures are not accurate, she looks nowhere like her pictures, I think those are at least 3 years old if that was her!

Breast are of very weird shape but got nice long legs and not bad looking face, with dyed blonde hair.

The Story:

I was a bit disappointed to start with because she didn't match her photos(miles away).

It was an OK punt, very light kiss(because she was afraid of catching the flu), above average OWO, but wanted everything to be done under Dim room light!

A level was not on offer and the noises were mechanical.

All in all, good punt but definitely not worth ?200/hour, you could easily find someone better in town with that price range, therefore I wasn't satisfied.

I felt a bit cheated by the agency and I will not use their service again.

If she charge 150/hour, i will recommend, but not with 200.

By the way, a bit smelly down there, which put me off a bit.
