The Premises:

Easy to find house on main road. Plenty of metered parking. A bit exposed - there were a couple of old chaps watching the entrance from the other side of the road when I came out. Fine inside, rooms are good with porno dvd playing.

The Lady:

Just what I've been looking for! A great figure - Big boobs, small waist, lovely bum.

The Story:

Two girls were on. I had read Kim's reports so was pleased when told beforehand that she was working. Met the other girl but opted for Kim. Kim came in and as it was my first time here ran through the various options. I plumped for the come twice and requested a bit longer than the half hour, which was agreed.

Kim undressed and we kissed...BBBJ and 69 with the aid of mirrors was too much for me and I came quicker than I expected. Didn't matter because I got a lovely back rub and then onto round 2 which was just as good. I had a lovely time and really couldn't get enough of that body. Just counting the days before I'm back in the area...
