The Premises:

the outside is a barn like conversion white on the outside very discreet area with lots of parking, its right near the train station and it was very clean.

The Lady:

well what can i say... she's a stunning lady would say size 8-10 with a c cup.
very pretty, firm tits and a round arse dressed in black lace bra and knickers.
she is slim and very tanned,

The Story:

we got to the room and she stripped me off gave me a back massage, she then turned me over and gave me some fantastic owo which felt like it went on forever, she then bent over in front of me and i fucked her pussy,
i then put some lube on her arsehole and was lucky enough to squeeze my cock into her tight arse.
then i flipped her over and wanked all over her body and come on her tits.
she loved every minute of it.
