Usual Intimate Massage standard, well reported on. Everything nice and clean, easy to find, overall very good.

The Lady:

Super cute, website says 20, 5'5" and size 8 all sound right to me. The first thing you notice about Susie is her cute smile, very intoxicating. Very soft, silky skin. Young Polish girl but speaks excellent English, no problems with conversation at all. Intelligent and very easy to talk to.

The Story:

Has to be one of the best punts ever.

Susie met me at the door with a smile and a peck on the cheek. After a few moments I was shown to the room, sorted the financials and down to business. Great covered BJ, reverse O, mish, doggy and finished with a handjob over her perfect body. Loads of kisses and cuddles. Very gentle massage to finish, just what the doctor ordered.

Susie is not one of those really dirty girls that you can do anything with, like no OWO, CIM, etc. What Susie does offer is an amazing time with one of the cutest girls ever. See pics on the website, check out that smile, I will return just to see that.

Throughout there was plenty of eye contact, smiles and kisses. Susie held a good conversation without any problems, not too chatty just enough. Would I recommend? Certainly without hesitation but only if you treat her well.
