The Premises:

Her place couldn't be much closer to a tube station. Beautiful big flat, well looked after.

The Lady:

Black lady in her twenties probably. Perfect if you like your women on the large side. Big breasts and bum.

The Story:

Opted for massage and HR only on this occasion, but the lady offers other services.

Anita is friendly and well-spoken and gives a very professional massage. When the action became more intense and interpersonal, she suddenly became a lot less lady-like (in a very sexy way).

Invites you to finger her pussy while she builds you to a climax with a feather light touch.

Fantastic value for money.
