The Premises:

tidy studio 2 minutes walk from earls court (NOT queensway as advertised)

The Lady:

WOW - with all the photoshopping that goes on to make girls look better, it always amazes me how some photos do such a huge disservice to others - for my money 11/10

The Story:

WOW - the only WG i've met that i could seriously imagine myself in a relationship with.

physically/sexually/mentally this was heaven - hard to remember ever having enjoyed an hour as much with anyone.

spent a good long time time "dining down below" and was rewarded accordingly.

this was reciprocated (excellently) followed by sex in many positions until i came (and boy did i come) in doggy - all you regular readers of my FRs (present and past) will know that this is unusual as i normally have to finish with OWO/CIM.

could prove to be a costly experience as i am dying to go back which in these credit-crunched times will require some juggling.

simply awesome.
