Not what i expected for this price.

The Lady:

NOT the same girl in the pictures. The pictures are blatantly fake, they are stolen from Playboy. I did a quick search on tineye and i confirmed what i already knew.

The Story:

This will stay in my book as the worse punt ever. She was completely uninterested, didn't kiss, didn't want to be touched. Sex was just nothing. It's unbelievable how CityButterflies can get away using pictures so blatantly fake, and nobody has nothing to say about it.
