The Story:

This was a spur of the moment thing and I'm very glad I did. Valerie has a body to die for and I couldn't keep my hands of her! Her OWO was incredible and had me on the edge the hole time, so much so that after we'd 69'd for a while (she has a gorgeous pussy also and does these gorgeous little spasms when she cums), when she got on top of me it really didn't take long for me to explode (and I do mean explode!). So we chatted for a bit about this and that then went for round two which was equally great.

A lovely girl who is well worth seeing.
