### The Lady:

stunning...no other words

### The Story:

arrived at 1900, offered a drink (declined as i was keen to get started)...after sorting out the details, laura gave me a bbbj...wowers! after a short while, on with a condom, and asked if anal was ok, Laura said yes. Fantastic anal

After cumming fairly quickly, i struggled to get the old fella back up again, so chatted to laura for a while...not only is she stunning, but she can hold a conversation

Eventually, Laura gave the old fella some attention, and proceeded to give me another bbbj....whilst doing this, she treated me to a show with one of her toys

i am stunned that no one has reported on laura before....have to say, this was by far the best punt i have ever had the pleaseure to have....as soon as funds permit...i will be back!
