### The Story:

This was my 2nd visit to Gosha. I didn't write a report the 1st time as she was going back home for a few months, glad to say she's now back for a while.

Found her on the 'other site'. Gosha is very good value for money, & doesn't rush you. She doesn't speak a lot of English, but is most friendly & willing to please. Offered a shower in spotless bathroom. Started off standing up with deep french kissing then OWO while we got undressed. Onto the bed for some nice 69. On with the condom, then sex in mish, & doggy. Took off the condom & finished off in her mouth (which she swallowed). Laid back exhausted, had a nice cuddle, then offered me a massage. Had another cuddle after with kisses, then had to leave as parking meters outside the flats only allow 1 hr max. for ?1.60, - So don't book for longer unless you want a long walk to the multi-story!
