The Premises:

Pretty typical place, discrete entrance off main road, bit rough round the edges but perfectly clean.

The Lady:

Seriously glam looking - like the lead singer of the Pussycat Dolls, Brazilian, very sexy

The Story:

Great stuff.

Nice wet blow job, lots of spitting on my cock and playing with my asshole.

A good tit fuck with some more spitting, then in to her pussy (no lube needed!). She looks great in the mirror - all big hair, heels, tits and ass.

I hoped to put her through the moves, but of course two positions in I blew my load. So much for self control!

Camilla does the works - anal, rimming

Check her out, well worth a visit.
