Georgious, slim, petite brunette from EE. Photos on site don't do her justice.

The Story:

This could have been a bit of a disaster. I booked Samantha at 5.30 and didn't get a confirmation until I rang up at 6pm. Then I couldn't get into the building as no-one was answering the door buzzer for a while, then nobody answered the front door. In the end I called the agency and the door was opened by another girl and I was shown in. Clearly she / they weren't ready and were very apologetic. But finally, after 20mins of messing about I got to be alone with Samantha.

And she was simply georgious - great body and still young and fresh. Obviously very new to the game over here, she stripped off and lay waiting on the bed. With a 'be very gentle with me', we started. Lots of lovely snogging, O was covered (sadly), DATY was rewarded with nice noises and shudders (and a 'ooh-good' for measure) and the actual sex was gentle but great. She is not one for the hard shag merchants. Second round was even better with me almosst drowning in juices from 69.

Samantha speaks little English but we still got to have a chat. This was her first day working in London and I'm glad to have been one of her first (possibly THE first) so that she gets off to a good start. She's sweet and sexy and could well turn out to be a fantastic little poppet. So even though we lost a lot of time, I still left a happy chappy.
