The Premises:

Standard hotel room near Euston Station but only on Tuesdays (Banbury, OXON otherwise). I was her first client of the day so everything was spotless. Lifts are in the lobby very near the entrance so no access problems.

The Lady:

As her picture (in her PA outfit). Stunning, beautifully rounded but thankfully no stick insect. The perfect mature escort for the maturer punter.

The Story:

Wow! This lady has not only one of the sexiest bodies I have come across but one of the sexiest minds. I had asked for her to be my PA and she played the role to perfection, seemingly mind-reading. To start, an assisted shower with back massage and soapy attention to all the necessary dangly bits and orifices really got me into the mood. Then totally responsive action. She loves to be sucked/fingered. After various explorations her lilting Irish tones uged me truly filthily to a magnificent climax over her superb breasts.

Chablis or Dom Perignon will earn you brownie points.
