Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

Phone: 07904172001

The Premises:

Dollymopp has an amazing flat, decorated in the style of a middle eastern harem. (Never seen one but I am sure this is what it would be like) All dim lighting, throws, cushions, mirrors, red drapes, books, books, pictures and more books. It is where Dollymopp lives and it reflects her bohemian personality. Very eclectic and very special.

The Lady:

A stunning girl with true celtic features - jet black hair and smooth white, soft skin. Dollymopp said that her family comes from Scotland, Spain and other places, the combination of which certainly makes for a very attractive and vivacious lady. Dollymop was well turned out and only sees one client a day. I think this is always a good sign. No production line encounter here whatsoever.

The Story:

An amazing GFE, the likes of which your real GF would never provide. Dollymopp is VERY responsive, abandoned, inventive, intelligent, welcoming and extremely good at what she does. If I lived nearer (and had unlimited funds) then I would certainly be found in the Borough area on a daily basis. Thank you Dollymopp. You are a real find.
