The Premises:

Flat walking distance from tube station. Parking can be a problem during the day but in the later hours fairly easy.

Flat was ok for this part of London.

The Lady:

The photos are quite accurate. Busty girl in her early or perhaps mid 20's. Boobs are heavy and natural. Fairly attractive and healthy looking girl.

The Story:

Wanted to see a busty girl and decided to see Alina as the agency had said she was pretty open minded.

Let in to the flat by Alina. She planted a kiss on my cheek and asked if I'd like a drink before leading me to her bedroom.

Gave her the present and then stripped off.

Alina returned to the room and asked if I was an athlete before snogging me and flicking her tongue over my nipples.

Some good mutual foreplay sessions followed whereby I had a good feel of her jugs and had a good suck on her nipples.

Had my dick between those massive jugs and was given some owo.

Not sure if this is available to cim but I wanted to shag her so rubbered up and had a good session of doggy, mish and then standing up and bending her over. For the finale, took off the rubber and came over her boobs.

Alina cleaned me up and we had a chat before another round was initiated by her. No rushing and she took her time with the foreplay licking my nipples and performing owo at intervals.

As I was quite tired I jerked myself off while Alina gave me her boobs to suck.

Good punt and left satisfied.
