Scorpio, which has been described many times before.

The Lady:

Brianne is Canadian, about 5'6 with blond hair, nice looks and a big chest. Slim, fit body. About 31 or 32 in age, but I'm no expert.

The Story:

Good selection of girls on - Carrie, Eva, tall brunette whose name I didn't catch and a short blond girl who looked new. I chose Brianne largely because half her chest was jutting out of her top, and men are kind of simple that way eh?

She appeared in the room briskly and whipped off her clothes, revealing a gorgeous body. The air conditioning obviously does not agree with her as she sniffed constantly throughout the session.

She rabbit on a bit about about stuff, chit chat, whilst giving me an OK massage. After a while some kissing and groping followed by oral. She does a good porn star BJ, lots of spitting and gagging and dirty talk.

After a while of this she moved to a 69 and squeezed my head with her thighs as I tried to work her off with my tongue. By now she was moaning and giving deep throat at the same time, which sounds as you'd expect, like someone gargling custard.

This had the desired effect and she took a wad of my cum and spat it into the bath. Another rub down and a shower and I was good to go. I wasn't up to another go, but she would have obliged.

She spent the next 5 minutes raving about her next punter, who called every fortnight was very generous and was a babe, apparently. I left feeling none too special.

If you want a porn star experience and some good oral - go for Brianne. Dont expect too much in the way of intimacy or warmth.
