The Story:

I have used elegancemk escorts several times now and must say that i never been dissappointed as their standards seems to be pretty high, i have tried to book Crystal on a number of occasions but she had always been booked up, having now seen her i certainly know why, as she is an absolute babe, young, brunette, stunning and ultra friendly, nothings too much trouble for her as she is so enthusiastic to please, kissing, owo etc, straight to the point but without rushing you, terrific value for money and a service with a smile, she`s a very affectionate girl, almost loving just like a girlfriend and stays the whole booking time, she certainly leaves you wanting more but well satisfied, this is the true girlfriend experience, she`s a gem and i cant wait to see her again.
