The Story:

Having known Tiffany for many years, I thought I'd give her new 2 girl service a go. Both girls arrived together on time and dressed casual as requested. After a quick drink and chat it was time for some fun. Instead of a "PSE" I asked them for a more relaxed "GFE" and I must say it was one of the best 3somes I've ever experienced. There was lots of mind-blowing sex and oral in numerous positions and these 2 girls managed to drain every ounce of energy from me.

I won't go into much more nitty-gritty detail, but I will say that if having a "GFE" or "PSE" with 2 really nice chatty and friendly girls is what you are looking for, then look no further than Tiffany and Shay.
