### The Story:

Looks count, but it takes more. This was one of those rare occasions when a prior Punternet reviewer lets you down. Poor punt on multiple fronts: kept waiting outside in the street; run-down flat with grotty shower on different floor; Channel 5 playing on TV in bedroom; forced request for BJ produces condom when clearly OWO in order at this level; boring "under protest" OWO follows; then interruptions by conversations in Romanian with girl outside room; then two minute absence while girl discusses commission with agency outside room; bored attempt to revive now flacid penis; decide for quick doggy finish to cut losses but she is so obviously bored; rejected request to cum on tits to try to salvage something from a bad experience; leave early unsatisfied.

It is great that Punternet exists to keep standards high and there are plenty of great girls out there. However, not all reviewers have the same standards so beware.
