The Story:

Helen was a little flustered when I arrived (I was her first appt that morning) which was quite disarming. Very friendly and eager to please.

A very tactile experience - Helen loves to kiss and cuddle and all services were dispensed with enthusiasm and style. Lots of deep kissing followed by RO - she has a lovely body that I could eat for hours! - Then a wonderful session of OWO and a DFK/wanking session to get me really hard. Finally, on with the mac and took her from behind (she loves to watch in the mirrors!) until I came deep inside her.

Helen really seems to enjoy her job and makes sure that you are happy. definitely GFE rather than PSE - Highly recommended.
