The Premises:

Very clean and modern in new development on waterfront in Paddington

The Lady:

Gorgeous. Not a stick thin model type, just lovely and curvy with a great ass. Pretty face with long curly blonde hair. Fluent but (sexily) accented English. Clean towels and modern bathroom with good power shower.

The Story:

Have seen her before so a warm welcome with drinks offered. After some conversation and the donation taken care off. Started DFK and wandering hands over that lush body. She offered the shower which I took.

Came out to a bedroom with subdued lighting and Miranda lying in fab lingerie. She helped me dry and drew me down to the bed.

I'm not here to write a novella but sufficient it to say its all on the menu, although she said she needs time to relax for 'A' levels so to enjoy that you will need a longer appointment.

Miranda does that great trick of giving a PSE while in the act but GFE in between. My highlight was looking down on the beautiful bum as I enjoyed the ride.

If you want a great time with a gorgeous woman, go no further.
