### The Story:

Morgan came into the room just as I finished showering and greeted me with a kiss. Good start and the look of her got me twitching immediately. Agreed my usual, OWO & CIM.

Morgan did a dance - quite nice, with plenty of touching. She really is quite sexy when doing that and I am certain she could give a great lapdance, especially with that bum!!

After some kissing and touching on the (massive room 4) bed, I got comfortable and proceeded to enjoy a masterclass in felatio!!

Morgan really pays attention when she sucks cock; it is wet, gentle yet firm, fantastic eye contact and some very good deepthroat. Ohh yess, Churchill !!

For the first time, I have had a WG take my cock down her throat and extend her tongue to lick my balls - all without choking. I could feel my cock slipping down her throat, with her lips gripping me right at the root. The slow up and down with my cock in her throat was some of the best oral I have ever had.

Interestingly, I noticed that Morgan seems to like looking at herself in the mirror, while she is sucking cock. Watching her do that several times was such a vouteristic pleasure, that I just had to fuck her.

Got to say, she is very well equipped down there, with great muscle control. She leant back, with my cock deep inside her and proceeded to ride me right to the head of my cock, nerver quite coming out, except when she wanted to rub her clit on the cock itself. A few minutes of this and the

pressure was beginning to build.

She hopped off and went back to her "tour de force" of blowjob skills. By now, every part of my cock is sensitive and the slow sucking of a very willing mouth gradually coaxed the cum out. Morgan didn't stop once, taking gush after gush all the while looking at me. Not a drop was spilled, she kept it all in her mouth. Don't think I've ever been so clean after cumming in a girls mouth before.

Very sexy, slim, does her job as if she really wants to suck cock and get fucked all day. Take it slowly with her and you will be shaking after 30 minutes of "Morganisation". My cock was hard for about an hour afterwards as I couldn't get the hings she did to me out of my head.

Simply fantastic punt. Morgan is up there with the best.
