The Story:

Been going to Scorpio for 15 years and picked her because hadn't seen her before. Nice breasts and seemed chatty. However, once in the room I just found her rude and off putting. After 10 minutes decided to call it a day, went to London Street and had a fine time with Meg from Slovenia. Later that evening enjoyed the company of Chantel (C69 Favourite)in London.

Unless you are a regular I would avoid her but not Scorpio because it is a fine place otherwise.
