The Premises:

Very discreet, in a quiet area near the Jewellery Quarter. Plenty of on street (metered) parking. Full shower facilities, etc. The room was large and airy and comfortable - it's quite unusual and you really have to see it to understand what I mean! Nicely decorated and I felt safe at all times.

The Lady:

Jamilla is a gorgeous, slim, half-Indian girl with a nice figure and a welcoming smile.

The Story:

As ever, my choice was for a 'GFE' which Jamilla was only too happy to provide. We enjoyed plenty of kisses and hugs before moving on to the more intimate activities. Jamilla was happy for me to explore her gorgeous body and was very attentive to my needs too.

All in all, a leisurely, relaxing hour which left me feeling relaxed and better than when I arrived, which is the whole idea after all. A nice girl, recommended.
