### The Premises:

Easy to find in Madeley. Clean and tidy first floor flat with discrete entrance and easy parking.

### The Lady:

Wow, what a stunner. Petite lady, has to be about a size 6/8, certainly no more. Dark, bobbed hair, lovely pert breasts and one of the best behinds in the business. The pictures on the website do not do her justice and she has changed her hair since those pics were taken.

### The Story:

I have seen Julia before, when she worked at Kandys. She has now gone independent, and works in this small flat with the wonderful Lucy (also ex-Kandys\_.

The time started with a brief massage (my choice) then on to the most fantastic BJ I have had, even though it was covered it was still amazing. Then in to the 69 position with Jules on top. Tasted amazing.

Then to sex, with her on top, I struggle with sex wearing a condom so this wasn't very successful but she quickly realised and finished off with more covered oral to completion.

Didn't have time for a second bout but it was made very clear to me at the start that I could go as many times as I could manage in the time paid for.

I am so glad Telford finally has a good independent lady, well 2 actually as Lucy is also great (I have seen her at Kandys). All in all the service was much less hurried, more relaxed and even better than before.

I will certainly be back here again next time I feel the urge.
