### The Premises:

Debbie's was as always welcoming and friendly. I entered via the back door which is safe and reasonably secluded.

### The Lady:

Tall and elegant. I would guess just under a size 12 with wonderful breasts and a firm body.

### The Story:

She treated this old man with a combination of tenderness, wickedness and fun. Either we it it off wonderfully or she is an actress in the Judi Dench class. Her oral is sensational (literally) and her behaviour in the Debbie shower got me as stiff as I will ever be at my age! Nina, the next time we meet I'll bring that banana of which we spok. Or was it a cucumber?
