### The Premises:

Nice flat just outside town centre in residential area. Easy parking and safe location,

### The Lady:

Christina is very very pretty, with an amazing slim body, and curves in all the right places. Perfectly sized breasts with lovely nipples and down below is smooth as silk.

### The Story:

Was welcomed into the flat by one of the other girls on that day (there are usually only two so no prob). I must have been a few minutes early as Christina was wearing a really cute dressing gown that she quickly removed, but then offered to put back on when I told her how cute she looked in it ! This set the tone for a fun filled and really enjoyable time. I won't describe what happened next in detail, but suffice to say, she is a gorgeous, funny and VERY sexual lady. The best ?50 I've spent in years....she's one of the best
