The Lady:

She's tall, elegant, sophisticated, intelligent and beautiful, she's as friendly as anyone you could wish to meet, she makes you feel like you have known her for years.

Check out her web site www.sexysophia.org.uk the site pictures are great but in the flesh she is an absolute stunner

The Story:

I've seen Sophia many times now from the Ritz to a Premier Inn and every where in between, she suited them all. I can honestly say she is the best escort I have ever seen.

Take it from me guys Sophia is the complete package and of course it doesn't hurt that she is a raving nymphomaniac, if cock sucking was an Olympic sport she would win gold every time.

She cums at least 12 times a night, I think it would be more but I usually fall asleep between 4 and 5am totally exhausted, drained and 2 or 3 pounds lighter.

Just one word of warning, if you order tea and biscuits half way through the night, don't go to the bathroom because by the time you get back she will have eaten the lot.

Treat her well, she is worth every penny, she's the one we have all been looking for. You must see her in action with one or even two of her beautiful friends, I've had the pleasure on a couple of occasions, I can definitely recommend it, give her a ring and treat yourselves you won't regret it 07968870349.
