The Premises:

Sam's place is in a nice outer Birmingham suburb near Sutton Coldfield. The house is clean and spacious with safe parking on a quiet road. The house itself is a large detached house. I have visited a number of times and feel extremely safe. Major plus point - lovely clean handy en-suite bathroom with shower.

The Lady:

A gorgeous, buxom, long blonde haired vixen in her early 30's (although i think looks more like late twenties). Has the most GORGEOUS come to bed eyes and a look of outward innocence but inner slutiness!

The Story:

I have visited Sam numerous times and having spent years searching, I now have no need to look any further. Within minutes you'll feel you've known her for ages. Friendly and god so sexy! She will be as slutty or tame as you want - your wish is her command! Not at all a clock watcher, she takes a real pride in her work and you won't regret seeing her. Look after her - she's a real gem!
