The Premises:

Newly restyled with extra rooms added and more professional feel about the place. The bathroom is a little tricky to get in and out of as the door opens onto the sink. Bedroom was excellent, big bed, lots of mirrors and video playing in the corner.

The Lady:

Described as 24, looks younger. Great body would be happy to wake up with this girl in the morning. Bum and boob men should avail themselves here.

The Story:

Bounded into the room with a welcoming hello. Interesting chat while getting the above average back massage with some good attention in the gentlemen's area. Flipped over to better view those great natural assets. Then Shannon's turn to lay down. Went to work with my tongue and fingers bringing her to a shuddering orgasm with the tip of one finger in her bottom. Seemed to earn some brownie points here! Then for some great owo, good eye contact and measured use of hand and mouth and just mouth. Finished off with doggy accompanied by enthusiastic encouragement from Shannon. Great time was had by all. I think?
