The Premises:

As reported previous. Was concerned that the red door was shut and I would be stuck on the pavement, it was open and I was straight in.

The Lady:

Very slim and young, all over tan and a couple of discreet tattoos. Clique I know, but the photos do not do her justice. Unbelievable legs, slim and looooong. Web site says 6-8, I would say close to the 6. Kate moss model type body. If you are looking for a voluptuous body or DD's, I would say that Catherine may not be to your taste.

The Story:

Catherine was to my taste and was a super model type fantasy. She said this was only her second working day. She knew what she was doing, but there was still an air of freshness about her attitude. She was also there to have fun and a giggle herself. I can also say she has got some strong pelvic muscles.

This was very much a GFE, which I was looking for to wind down after a very bad day. She was very polite and clean. Everything done was covered, including O. I did not ask about OWO or any other services as, as she provided exactly what I was looking for.

I will say again, If you are looking for a voluptuous body or DD's, I would say that Catherine may not be to your taste. I could easily have admired her body for ages, as she hit the right spot for me.

I do not normally write reports, unless I ask the girl in question first. On this occasion I was feeling very happy and forgot. So Catherine, if you did not want this review, let punternet know to delete it. PS I did get home safely after my very bad day.
