As previous reports.

The Lady:

Mid-late 30's red head. Size 10-12 at a guess very much all woman.

The Story:

Started with a nice firm massage having availed myself of the shower facilities in the room having been out walking in the rather hot sun before visiting.

I won't go into details about the more personal services as they were pretty regular but will make mention of Chloe's oral skills which were excellent and is obviously something she enjoys greatly.

We had a nice chat afterwards. Chloe came over as a friendly and intelligent lady who takes her work seriously on making your time with her enjoyable.
