The Premises:

Great flat not far from Victoria station. Nice area and easy to get to.

The Lady:

A stunningly beautiful lady. Amazing body, slim with huge fake boobs. Just my kinda girl.

The Story:

First time seeing Pammie and she was a fantastic girl. Really nice to talk to and oozed sex appeal. As soon as I entered the door we were kissing and exploring each other with our tongues. This soon led to stripping off and before long she was on her knees with my cock in her mouth.

After several positions Pammie covered my cock in oil and brought me to completion all over her huge tits.

A fantastic lady. Must meet, but treat with total respect cos she deserves it.
