The Premises:

Mildly bohemian studio apartment in a converted terrace near Bayswater/Queensway. Steep staircase to mezzanine sleeping platform, which was fantastic. Clean and safe.

The Lady:

Slim and pretty with delicious brown eyes and tumbling soft dark hair. Arguably more leggy and less busty than her profile suggests.

The Story:

Nicole is a delightful, bubbly, fun, interesting, quirky girl and made me laugh from the moment I arrived. She is fresh, direct and keen to please and there was lots of cheeky kissing, touching and hugging as I settled in. She likes to do it to music and was visibly horrified that her collection didn't cover my first choice, so bring your ipod. The main course was oral without - lovely - and shagging in a variety of positions - also lovely. The time flew by and I extended by half an hour so we could go for round two.

The world's a better place for having this lassie in it. Highly recommended.
