The Premises:

A very tidy house in South Croydon, close to the main drag where all the restaurants and bars are. The house is well appointed and spotless. It also has a very nice new power shower that works properly unlike most places. Being where it is, parking is largely pay and display bays or there is a car park nearby on the 'South End' road. Being quite a busy area entrance is both discreet and safe.

The Lady:

Hannah (assumed spelling) is a very pretty slim Thai girl in her mid twenties. She has nice small but firm breasts with nice nipples, long black hair and was partly shaved down below.

The Story:

I decided to try Sue Lee, or Sueli as she is listed in the local paper, as I knew she was good and had set up in a new place. Previously she was 'Flowers of the Orient' in Waddon. On phoning I was told that she was engaged but she had a new girl, Hannah, working so I decided to give her a try. As it was my first time at the new place I had to phone again when I was close (within sight of the house) and was given final directions.

Hannah was in the sitting room wearing a T shirt and denim mini skirt and I fell for her straight away. Upstairs we sorted out the paperwork which is quite reasonable at ?90 for an hour or ?100 with OWO. The next hour was very good indeed. Her OWO was one of the best. It was a very hot day so I avoided going on top and I finally came with Hannah in reverse cowgirl.

After a quick massage I was soon at attention again and Hannah was down on me for a very long blow job. I then fucked her in 'spoons' and she finally gave me an oily hand job while I massaged her clitoris. By this time I was sweating so the offer of a shower was gratefully accepted.

On my way out I met Sueli who recognised me from her old place in Waddon. She is a mature Chinese lady who is very good as well so I am in a dilemma as to who I see next time. Maybe I'll alternate. They are both here most of the time apparently.
