The Premises:

Basement flat in a quiet side street just off Lordship Lane. Easy free parking. Flat is very discrete and secure. We used the rear bedroom, which is then curtained off from the corridor, as another punter had just arrived and used the front.

The Lady:

Extremely slim, she called herself skinny. Large and very obviously enhanced breasts. About 5' 7" tall. Bottle blond. Reasonably friendly and obliging nature. Age - hard to judge - late 40's ?

The Story:

This was an OK punt, but I did feel that she was pushing the time along to the earliest conclusion. Small amount of foreplay but no kissing or insertion of fingers allowed. To lick her pussy would have been extra.

Sex in doggy. Because I was not very relaxed with her I came to quite an early conclusion.
