The Premises:

I'm getting quite familiar with this building as I've been here a couple of times before to see different ladies. Didn't see anything else of her flat other than the bedroom, which was pleasant enough.

The Lady:

I'm not too sure if she was the same woman as that on the website photo's. Sometimes I think she looks similar, and then other times I thought she was not the same woman. It didn't matter. As soon as I set eyes on her I was knocked out by her slender beauty. She's slim, toned with long, straight fair hair with dark highlights. She has wonderful blue eyes, an engaging smile and the finest pert bum I could set eyes on.

The Story:

Jacqueline likes to get straight on with the action, which she initiated by undressing me. Kissing was frequent and lips only - no DFK. She doesn't allow CIM either. But she did deliver a wonderful uncovered BJ with some nice eye contact as she performed her task. My first climax was with her on top of me massaging my member with her public bone. I clasped both cheeks of her beautiful butt and I knew I couldn't last long with this special treatment.

Recovery time was a massage with some nice chat, during which she told me all about Romania, which is where she's from. Round 2 then started with more OWO, then onto doggie, and a couple of varieties of mish before being finished off by hand.

Sex with Jacqueline is just great. She's highly erotic and delivers a pleasurable performance. She's also a great person to talk with, and I found that we both got to know each other very well in the space of an hour.

She's in London for the next 6 months, during which time I'll become even more familiar with this building in Paddington.
