### The Lady:

Tall slim girl with a pretty face and smile. Nice rack and sense of style.

### The Story:

Arrived on time and was dressed elegantly. She has worked for a few months at various agencies including some very high class establishments where she charged twice her going rate. To begin with I was treated to the most amazing lap dance after I requested her to show me her moves. Followed by 2 rounds of sheer bliss. No hesitation recommending - great service and much better looking than her photos suggest.
