The Premises:

Relatively new facility, clean, safe, discreet, not like some places locally where the long line of motorists stare knowingly as you wait interminably for the door to open (Perschore Rd)

The Lady:

tall, thin, good looking, interesting ethnic mix, she herself described herself as half Chinese

The Story:

Very friendly place, great cool room on a sweltering day. Opted for the ?60 special service which includes snogging and owo. A divine tasting pussy which I could have eaten all afternoon. Never gave any impression of clock watching.

The best punt I have had in Brum for many years, tempted to say the best ever. If this establishment keeps its eye on the ball and learns from the national forerunners in this industry then they have a very rosy future indeed. It will hopefully force other places to up their game.

Do they do a season ticket?
