The Premises:

Nice clean and respectable looking place. Easy parking in the surrounding area. In a flat above shops on a city street, entrance around the rear up a set of stairs

The Lady:

Early twenties, black, on web says from caribbean, although in person she says Nigeria, (slight geography problem) Lovely slim and fit looking lady, great ass, lovely pert breasts and a nicely trimmed and delightful beaver. Chatty and lovely personality, easy to get on with from the start.

The Story:

Went for the ?80 standard hour, no extra although owo on offer for extra 20 and water sports for same price. Had a nice massage with plenty and sack action, very good oral skills on display (kissing and sucking) and enjoyed watching her play with herself whilst having me fire off on her stomach. Very nice start.

Slight interlude followed by some more owo and then onto some cowgirl and some mish. No more details needed.

All in all a very nice time was had, lovely girl, great body and knows how to use it. Would like to take this one a bit further and explore some more with her. Thoroughly recommend to others!
