The Premises:

A small but adequate hotel room in a fairly busy and anonymous hotel just off Kensington High Street. No problem at all just walking in and straight up to the room.

The Lady:

Petite, blonde, enhanced boobs, just like her photos on the website really.

The Story:

A slight mix up with the booking meant that I arrived at Cindy's hotel room half an hour before I was expected, so Cindy wasn't dressed. Well, when I say she wasn't dressed, she WAS dressed, if you know what I mean. Anyway, this was quickly resolved as I nipped into the bathroom for a shower whilst Cindy slipped into something more suitable in the form of black bra, knickers and hold-up stockings. Lovely.

We got comfortable on the bed and started kissing, quickly followed by OWO, cowgirl and doggy, finishing off with me leaving a lake of cum in Cindy's ample Welsh tit-valley.

After a relaxing back massage we started round two with a 69, then reverse cowgirl, spooning and a few missionary variations. I couldn't manage a second finish but we had some good fun trying.

An hour in Cindy's company flew by and just wasn't long enough; next time will have to be longer.
