The Story:

It was my first time using these services and I made the best decision choosing Sophia. I was nervous as hell to begin with but so glad I opened the hotel door. She arrived in a gorgeous little dress with her hair up and all I can say is: "Wow!!" She was charming, friendly and so easy to talk to that my nerves were gone in no time.

I won't go into too much detail but everything that has previously been said about her is spot on, she gives an amazing OWO (I'm surprised I lasted as long as I did given how good it was!!) She was eager to ensure I had a good time and I sure did.

The time flew by (in a good way) and at no time did I feel rushed, just relaxed and free to enjoy the company of a beautiful woman.

Treat her with the respect she deserves and I'm sure you'll see what everyone is on about.
